❑ **The Wild Seed Game**

By Ampersand Press – Publishers of Games & Intelligent Diversions
The beautiful illustrations and clever design invites 2 - 4 inquisitive minds to explore nature as it follows a wild seed through it's life in a meadow. Sparking children's natural curiosity, The Wild Seed Game enhances environmental awareness through interactive fun for children ages 4 - 10. Three different versions of the game convey several simple ecological facts such as plants make thousands, even millions of seeds, yet only a few survive. This game includes fact sheets, glossaries, bibliographies and other bonuses to enhance the game's educational and interpretive value.

- ❑ Wholesale price: \$11 plus shipping and handling.

❑ **Oh Wilderness**

A game with easy to difficult questions about wildlife, wilderness skills, plants, land and sky geared for outdoor people 8 years and older. This enjoyable card game of backcountry lore can be played at home, in the car or at the campsite. The palm-sized box makes it easy to carry in a knapsack or a glove box.

- ❑ Wholesale price: \$5.00 plus shipping and handling.
- ❑ To order these games or receive a catalog of other excellent environmental games and unusual rubber stamps, contact Ampersand Press at:
